ORDER:

The Executive Officer, Panchayat Boerd, Shiyali, has raised the following two questions:-

(i) whether the installation in cinemas of rectifiers or transformers (which do not generate electricity but merely transform the available electric current to suit the purpose) has to be permitted under Section 194 (1) of the Madras Local Boards Act; and

(ii) whether the transformers or rectifiers used by cinema companies are exempted from taking licences under section 193 of the Madras Local Boards Act with reference to G.O. No. 1874 P.H. dated the 18th June 1942.

2. Under the existing provisions of the Act, permission under Section 194 (1) is necessary for the installation of rectifiers or transformers such as those referred to in paragraph 1 above. They are also licensable under Section 193 of the Madras Local Boards Act, but come under the exemption granted in G.O. No.1874 P.H. dated the 18th June 1942, provided the transformers or rectifiers are "normally unattended." Whether they are "normally unattended" or not is a question of fact to be decided in each case.
